Employee Self Services

Employee Self Service enables employees to update their Personnel Information, Investment Declaration. Employees can also view their Payslips and Income Tax report.

A link will be provided by the Payroll personnel (i.e. http://servername/myascentpayroll) & it will be opened in the users default browser i.e. Internet Explorer/ Firefox/ Mozilla/ Google Chrome.

Getting Started - User Profile

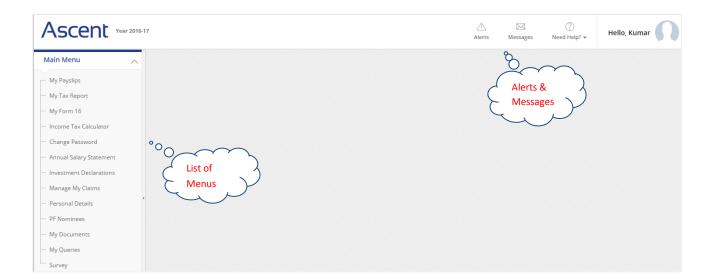

Login Window

- User need to type the User Name, the correct Password and click on Login button.
- These details will be given by Payroll personnel.
- If user forgets the password then user can click on Forgot Password link.

Once the user logs in to ESS, following menu options will be displayed...

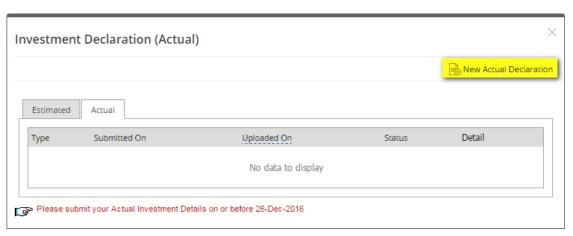

Investment Declarations

This module will allow user to enter investment declarations for Income Tax calculation purpose.

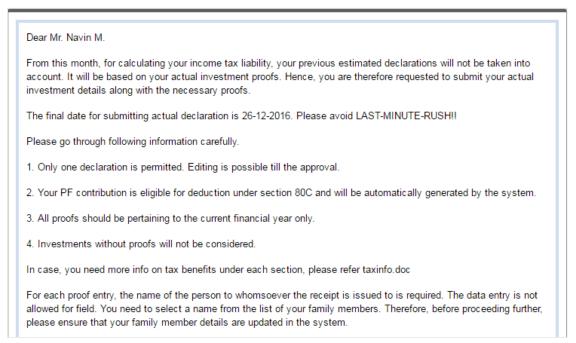

By End of financial year employer will ask employees to provide the investment declaration details. Employer will enable the actual declarations at Employee Self Service (web portal) for employees to provide the investment details before the due date.

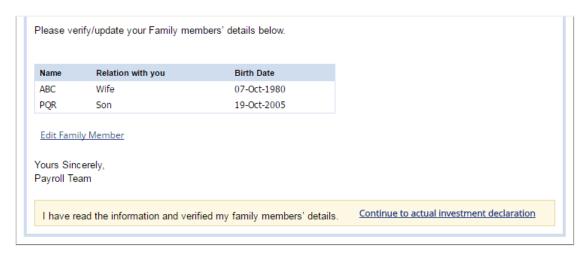

Actual declaration will be used while processing the Income Tax in payroll system. Based on the actual declaration, system calculates the income tax and necessary statutory returns are been filed.

Click on new actual declaration to create a new actual declaration.

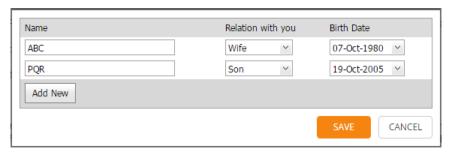

Following screen will be displayed.

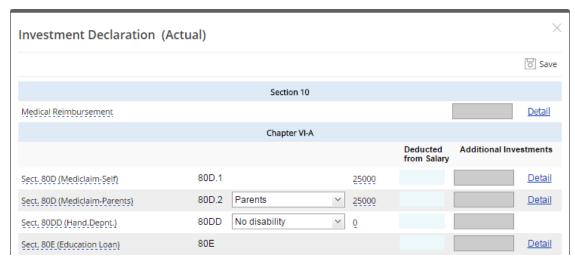

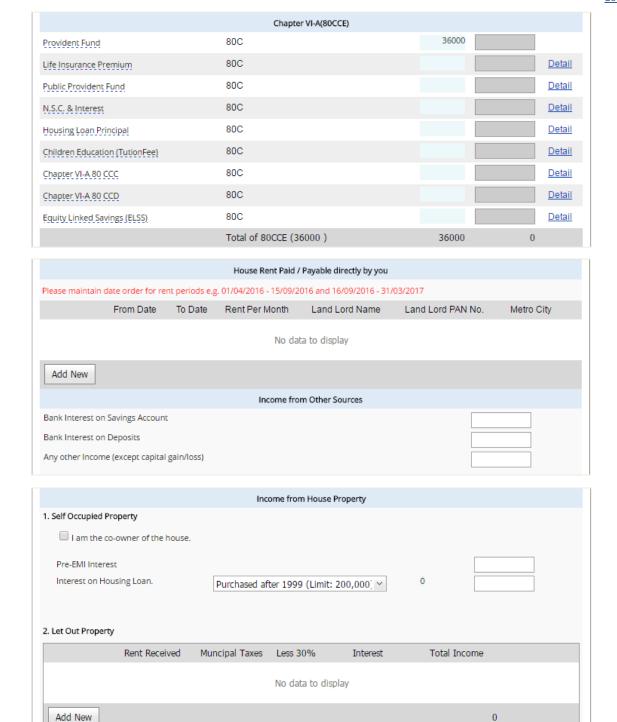

To add/update family member details click 'Edit Family Member'. Following screen will be displayed for entry.

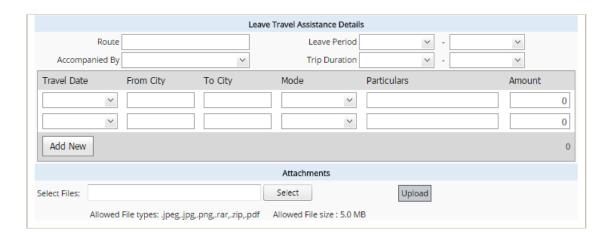

User can save the details by clicking on **Save** button and the entered details can be viewed in the main screen.

To continue with the declaration click on 'Continue to actual investment declaration' and the following screen will be displayed for detailed entry.

Detailed example of Actual Investment Declaration is given on next page.

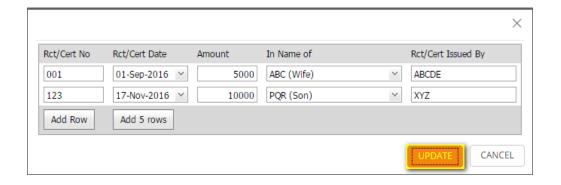

Section 10

Under section 10, default parameters are available. Enabling other parameters is configurable by the admin.

Details of the investment declaration to be entered wherever the 'Details' link is available.

Example: To enter the details under medical reimbursement, user have to click on 'Details' link and below screen will be displayed for entry.

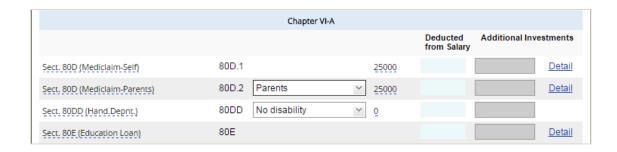

Once the details are entered, user have to click on 'Update', and he/ she can view the total amount in the field against 'Medical Reimbursement', as shown below.

Chapter VI-A

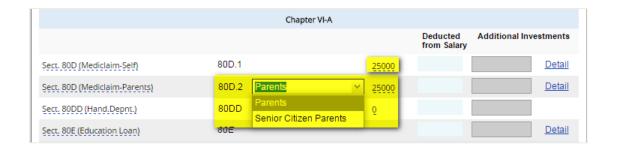

Under section VI A, below parameters are available for investment declaration. User can enter the details where ever 'Details' link is available and it is similar to the Medical Reimbursement example given above.

As per current financial year – Income Tax norms, different exemptions are applicable according to the parameters, which are mentioned in the field prior to deducted from salary field. This may vary depending on the income tax norms of the respective financial year.

Example: Under section 80D (Mediclaim), the maximum exemption limit is 25000 for F.Y.2016-17.

Under section 80D (Mediclaim-Parents), two options are available for parents and for senior citizen parents (age above 60) where the exemption limit is 25000 and 30000 for F.Y. 2016-17 respectively. User can select from the options accordingly.

Under section 80DD and Section 80U, two options are available for selection i.e. disability 40-80 % and disability> 80%, and the exemption limit is 75000 and 125000 for F.Y. 2016-17 respectively.

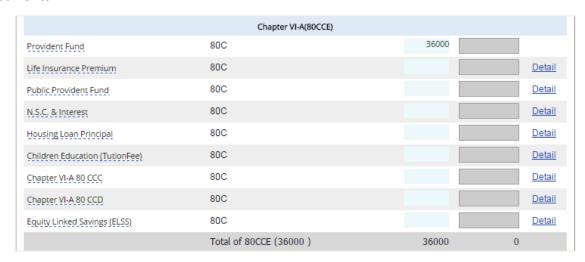

In both the cases user cannot enter the amount as it is fixed.

Once user select any of the option the amount will be auto-populated in the 'Additional Investments' field which is fixed.

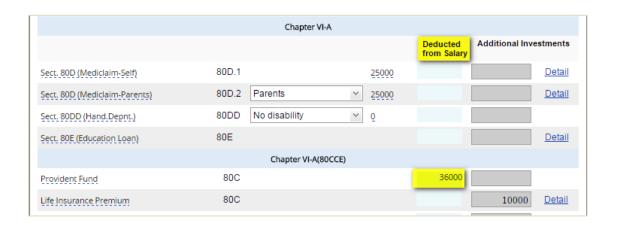

Chapter VI-A (80CCE)

Under section Chapter VI–A (80CCE), the below parameters are available for user to declare the investments.

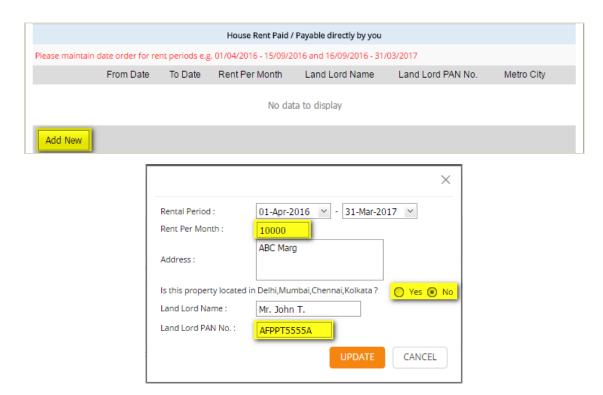

'Deducted from Salary' - The deduction components from salary will be auto displayed by the system, in case the respective parameters are been enabled by the admin.

Example: Provident Fund, the deductible component from salary is 36000.

House Rent Details

User can to click on 'Add New' to enter house rent details and data entry screen will be displayed.

By default property location would be 'No' i.e. Non-Metro City.

In case property location is Metro City i.e. Delhi, Mumbai, Chennai or Kolkata then user have to click on 'Yes'.

For deduction of Income Tax under section 192 – "Valid Land Lord PAN No." is mandatory.

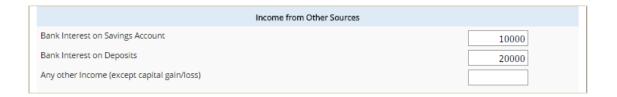

Once all details are entered, user has to click on Update and it will display in the main screen as shown below.

If user has multiple rental periods and amounts paid in a year then he/ she has to update accordingly by clicking on 'Add New' button.

Income from Other Sources

User can enter income from other sources in the 'Income from Other Sources' section.

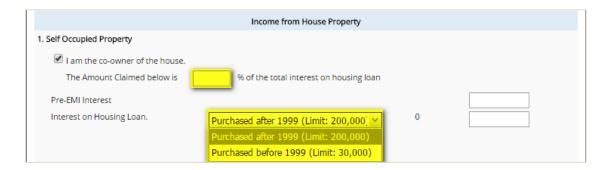

Income from House Property

User can enter the income details from house property in the income from 'Income from House Property' section as shown in the screen shot. There are two options available.

1. Self-Occupied Property

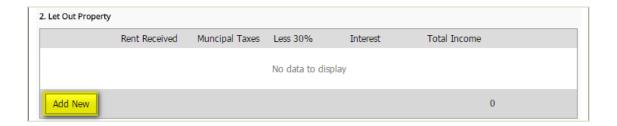

User can mention the details of property where he/ she are currently staying and if they are the coowners, then the share percentage also can be mentioned.

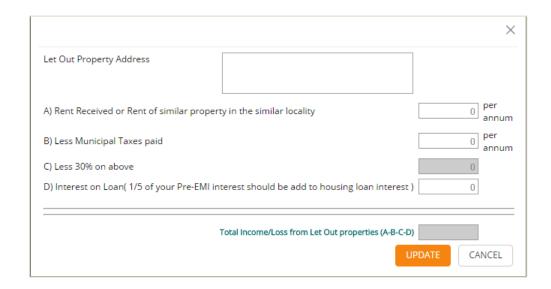

Under Self Occupied Property – 'Interest on Housing Loan', two options are available i.e. Purchased after 1999 and Purchased before 1999, the maximum exemption limit is also given i.e. 200000 and 30000 respectively.

2. Let Out Property

User has to provide the details of property which has been given on rent, if any.

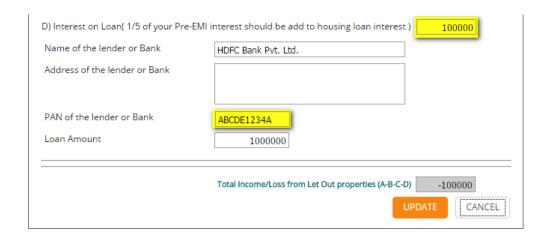

For let out property details, user has to click on add new and the below screen will be displayed for the details.

Once details are entered, user has to click on update and it will display on the main screen as shown below.

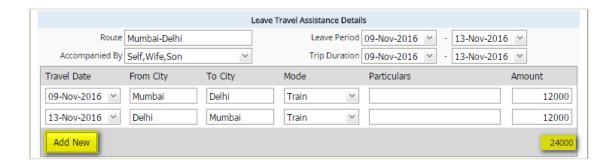

In case of Interest on Loan of Let Out Property has been updated for calculation then – as per Income Tax section 192 – "Valid PAN No. of the Lender or Bank" is mandatory. Snap shot given below:

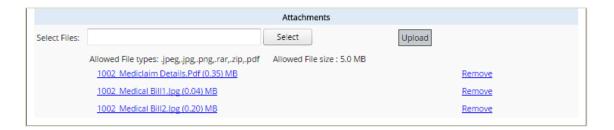

LTA Details

User can enter the LTA details under 'Leave Travel Assistance Details' section as shown below.

Attach Proofs/ Bills

In case, to attach proofs, bills etc. then user can do it by selecting the files (i.e. PDF/ Jpg) and upload them.

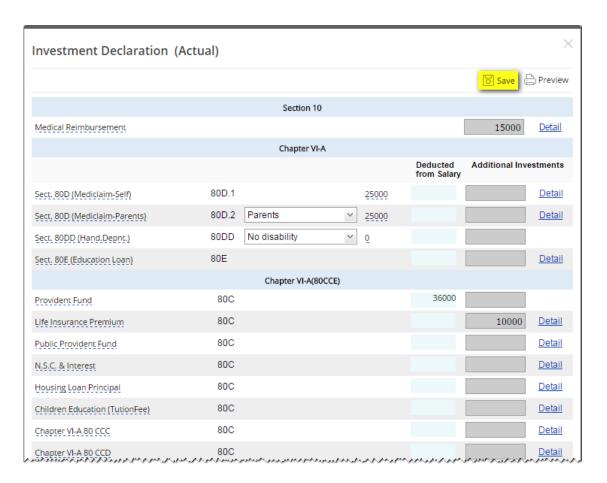

Save/ Confirmation of Attachments/ View Report

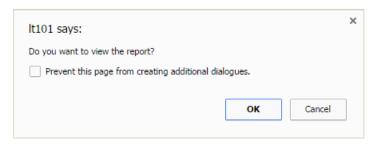

User can upload the attachment of proofs while entering the investment details. If the attachments are not uploaded then the system will show the warning message as displayed below.

Once user completes entering all the details, needs to click on Save to submit the details.

If user wants to view the report click 'OK' and the report will be displayed.

User can preview the declaration report – i.e. Form 12BB.
